

CITY OF BEECHWOOD, KENTUCKY  
ORDINANCE # \_\_\_\_\_, SERIES 2016  
AN ORDINANCE AMENDING SECTION 1 CONCERNING THE DISCHARGE OF WATER  
AND REQUIREMENT FOR TIE IN TO HEADER

WHEREAS, the City wishes to amend its ordinance to provide for certain necessary exemptions,

**NOW, THEREFORE, BE IT ORDAINED BY THE COMMISSION OF BEECHWOOD VILLAGE, KENTUCKY:**

Section 1. Section 1 Prohibitions, is hereby amended to read as follows:

**SECTION 1: Prohibitions & Exceptions**

(1) There shall be no discharge of water from any residence, including, but not limited to sump water or pool over flow water, down spout water from roofs, onto any public right way, onto any adjacent private property owner or onto any driveway that drains to the street. All such discharge must be tie into the Beechwood Village Header Pipe system or connected underground to an MSD owned catch basin.

(2) The following shall be exempt for this ordinance:

(a) If the end of the sump pump piping discharges to the rear of the property at a point no closer than 10 feet from a paved surface and does not encroach onto an adjacent property.

(b) Relief structures (e.g. bypass overflows) from the resident's home, said relief from sump discharge shall remain on resident's private property without encroaching on a neighbor's property but can encroach onto the public right of way. Said relief structures may only be utilized in an emergency situation where property owner's sump discharge line has become clogged or unable to accept flow through no fault of their own."

Section 2 This ordinance shall be effective upon adoption and publication as required by law.
