City of Beechwood Village, Kentucky

October 13, 2026 6:30 PM

Held via Zoom and in person at Beechwood Baptist Church

Mayor Andrew Conlisk called the meeting to order at 6:30 pm

Present: Mayor Andrew Conlisk, Cherie Brewer, City Clerk/Treasurer,Carrie Ritsert, City Attorney

Council Members: Mary Ellen Baker, David Smith,Glenn Francisco, Brian Figus, Bailey Allen

Absent:: Theresa Prestigiacomo

Approval of Minutes: Sept 2026 Minutes No Minutes were available will present at Nov 2026 for approval

Financials: Cherie B read the Sept. 30, 2026 Financials. David S.made a motion to approve the Sept 2026 financials and Brian F. seconded the motion. All present voted in favor of the motion.

Orders: Cherie Brewer read the Sept 2026 Orders, Series 2026-2027 #03 Brian F. made a motion to accept the orders and David S. 2nd the motion. All present voted in favor of the motion.

Attorney Report: Carrie R. advised that she received a voicemail message from someone requesting a copy of the letter that Carrie wrote to the tenant on Fox Run Rd. Carrie called back with no answer so she left a message that the tenant would have to request a copy of the letter through the open records request procedure. Carrie also mentioned that she received a voicemail message from the owner's husband requesting a 30 day extension for removing the tree in the back yard. Various discussing regarding this situation. Short Road house with back up generator running constantly since LG&E turned off power. Lengthy discussion regarding this situation and resident reported kinda behind the scene; Mayor asked resident to please keep everyone update.

Flock Camera Ordinance: Carrie asked if the council was ready for a Summary 1st Reading on not allowing Flock Cameras Ordinance in BWV. After a long discussion Brian F. made a motion to have Carrie complete the 1st reading of this ordinance and since there was not a second to the motion this was tabled until a later date. Council continued the conversation wanting to obtain additional information.

Permit Request: Resident at 322 Ring Rd requested a permit to add a bathroom and closest to the side of the house. Brian F. made a motion to approve the permit and David S. second the motion. All present voted in favor of the motion. Resident at 314 Bramton Road requested a permit to extend his current garage and driveway to match the width of the garage. Brian F. made a motion to approve the permit and David S. seconded the motion. All present voted in favor of the motion.

Resident Input: Resident requested her concern for safety in our neighborhood to be a priority. Speeding, running stop signs still continues to happen everyday when she walks the neighborhood. She has taken pictures on her phone. Complaints regarding landscaping service etc. Resident thanked the council and clerk for trimming trees, connecting the sump pump line on Fox Run Rd and an awesome Annual Picnic 2026. Questioned the White Box truck parked on Beaver Road and also the trailer that is still sitting in the driveway, bushes at Blenheim and Marshall, and any read outs on the new speed limit signs. People are slowing down when the see the speed limit posted.

Old Business:

Fall Annual Picnic: Mayor thanked the Picnic committee and everyone involved with making this year's Annual picnic a great success. Everyone that attended thanked the city for hosting the picnic. The event was enjoyed by all. The voting for the yard sale at the picnic was Both Spring and Fall.

Research Setting Up Google Calendar: Still working on the calendar, possibly have magnets made to give to each resident showing garbage schedule, police non-emergency #, email address for Beechwood Village, etc.

Santa Run in BWV 2026: Clerk will research with Fire Dept and Santa to schedule a Sunday in Dec. 2026 for our annual Santa Run. This will be posted in the Newsletter for all the residents to plan for

this event.

Waste Management Scheduled Pick Ups: Pick up schedule will be corrected and posted on the website for future reference.

Changing job duties and instructions: Mayor mentioned since he will no longer be mayor after Jan. 1, 2026 and some of the council members will be off the board, he needs to train new people and pass instructions for various jobs: Website, New Email addresses, Speed Solar Signs, list of committee duties etc.

Second notice:

Landscaping and Beautification: Suggestions regarding the overgrown Box woods at the intersections. Should they be replaced or not replaced. Snow Plow has no where to push the snow at the intersections without harming the bushes. Also no water supply is available if new bushes are planted, referenced intersection at Marshall and Blenheim. Some were definitely in favor of removal and others were not. This would save the city money regarding the bushes. No trimming, no watering, no replacement etc. Council will decide to put the landscaping/beautification contract out for bids in Nov. or Dec. 2026.

Paving and Curbs for Marshall Drive/Taggart Rd: Since we are getting so close to the cold weather the asphalt plants will be shutting down operation soon. Council authorized Mayor to approve/sign contract for paving Marshall Dr, & Taggart with his discretion for installing curbs also. If we are approved to ride on Hall Metro pricing we should do both paving and curbs to complete the work at a better price. This motion was made Brian F. and second by David S. All present voted in favor of the motion.

David S. made a motion to adjourn the meeting al 8:35 pm and 2nd by Brian F. All present voted in favor of the motion.

Respectfully
Submitted,

Cherie Brewer, City Clerk/Treasurer
